Team Challenge Classes

“Challenge Classes” are teams from a similar background that compete against each other for the best time in their class. The team with the fastest time in each challenge class will receive an award. Awards will also be given to the first-, second- and third-place teams in each of three divisions of competition—Diamond, Jade and Pearl.

Please look over the different categories listed below and select the one that would best fit your group. Fill out the necessary information below. If you believe there should be an additional classification, please suggest it in the space below, indicating other organizations that could be included in this classification. The Great Midwest Dragon Boat Festival reserves the right to assign teams to different challenge classes.
